

## 2 Chronicles 4

### Chapter 4

<sup>1</sup> **M**OREOVER he made an altar of brass, twenty cubits the length thereof, and twenty cubits the breadth thereof, and ten cubits the height thereof.

<sup>2</sup> ¶ Also he made a molten sea of ten cubits from brim to brim, round in compass, and five cubits the height thereof; and a line of thirty cubits did compass it round about.

<sup>3</sup> And under it *was* the similitude of oxen, which did compass it round about: ten in a cubit, compassing the sea round about. Two rows of oxen *were* cast, when it was cast.

<sup>4</sup> It stood upon twelve oxen, three looking toward the north, and three looking toward the west, and three looking toward the south, and three looking toward the east: and the sea *was set* above upon them, and all their hinder parts *were* inward.

<sup>5</sup> And the thickness of it *was* an handbreadth, and the brim of it like the work of the brim of a cup, with flowers of lilies; *and* it received and held three thousand baths.

<sup>6</sup> ¶ He made also ten lavers, and put five on the right hand, and five on the left, to wash in them: such things as they offered for the burnt offering they washed in them; but the sea *was* for the priests to wash in.

<sup>7</sup> And he made ten candlesticks of gold according to their

form, and set *them* in the temple, five on the right hand, and five on the left.

<sup>8</sup> He made also ten tables, and placed *them* in the temple, five on the right side, and five on the left. And he made an hundred basons of gold.

<sup>9</sup> ¶ Furthermore he made the court of the priests, and the great court, and doors for the court, and overlaid the doors of them with brass.

<sup>10</sup> And he set the sea on the right side of the east end, over against the south.

<sup>11</sup> And Hiram made the pots, and the shovels, and the basons. And Hiram finished the work that he was to make for king Solomon for the house of God;

<sup>12</sup> *To wit*, the two pillars, and the pommels, and the chapiters *which were* on the top of the two pillars, and the two wreaths to cover the two pommels of the chapiters *which were* on the top of the pillars;

<sup>13</sup> And four hundred pomegranates on the two wreaths; two rows of pomegranates on each wreath, to cover the two pommels of the chapiters *which were* upon the pillars.

<sup>14</sup> He made also bases, and lavers made he upon the bases;

<sup>15</sup> One sea, and twelve oxen under it.

<sup>16</sup> The pots also, and the shovels, and the fleshhooks, and all their instruments, did Hiram his father make to king Solomon for the house of the LORD of bright brass.

<sup>17</sup> In the plain of Jordan did the king cast them, in the clay ground between Succoth and Zeredathah.

<sup>18</sup> Thus Solomon made all these vessels in great abundance: for the weight of the brass could not be found out.

<sup>19</sup> ¶ And Solomon made all the vessels that *were for* the house of God, the golden altar also, and the tables whereon the shewbread *was set*;

<sup>20</sup> Moreover the candlesticks with their lamps, that they should burn after the manner before the oracle, of pure gold;

<sup>21</sup> And the flowers, and the lamps, and the tongs, *made he of gold, and* that perfect gold;

<sup>22</sup> And the snuffers, and the basons, and the spoons, and the censers, *of pure gold*: and the entry of the house, the inner doors thereof for the most holy *place*, and the doors of the house of the temple, *were of gold*.
